

REPUBLICAN CONVENTION

Hon. Theo. Miller of Rusk Is Nominated For Senator From This, the Thirteenth District.

A senatorial convention of the thirteenth senatorial district was held at Jacksonville, Texas, on the 22nd of August, 1908. The convention was called to order by Hon. Theo. Miller, senatorial chairman, and in the absence of the permanent secretary, Hon. Jas. F. Brook of Anderson county was elected secretary. At a meeting of the senatorial executive committee, Mr. Chas. F. Adams of Jacksonville was elected senatorial chairman and Hon. J. J. Spurlock of Jacksonville was elected senatorial secretary of the thirteenth senatorial district of Texas for the ensuing two years. On motion of Hon. G. W. Burkitt, Sr., of Anderson county, a committee of two was appointed to escort Mr. Adams to the chair. Messrs. Geo. Powell of Cherokee county and Jas. F. Brook of Anderson county were appointed as this committee. On motion a committee of three was appointed on platform and resolutions. Hon. Theo. Miller of Cherokee county, Jas. F. Brook of Anderson county and Geo. Powell of Cherokee county were appointed as this committee. The committee submitted the following report:

The republicans of the thirteenth senatorial district hereby declare our adhesion to the principles of the republican party as announced by the national convention at Chicago, also at the republican state convention at Dallas, Texas. We heartily indorse the sentiment of local self-government as expressed, and condemn as a violation of the basic principles of a republican form of government the democratic national and state platform as being an usurpation of the rights of the people, and go before the voters asking their careful consideration of the issues before them in the coming election.

On motion the nomination of a candidate for the senate of the state of Texas was declared the next business before the convention. Nominations being called for, Hon. Theo. Miller of Cherokee county was put in nomination by Hon. J. W. Farr of Anderson county, which nomination was seconded by Hon. G. W. Burkitt of Palestine. On motion nominations were closed and Hon. Theo. Miller was declared the nominee by acclamation.

There being no further business before the convention, on motion the body adjourned, subject to call of chairman.

Chas. F. Adams, Chairman.
J. J. Spurlock, Secretary.

Have you placed a candidate in the contest for Labor Day Queen and Maid of Honor? Advices from Swift's and Bratton's today are to the effect that the voting has been lively. It is desired that everybody in the city and county have a hand in the selection of the Queen and Maid. The watch and fob to be given the Queen, or lady receiving the highest number of votes, is on display at the jewelry store of M. Folander, while the umbrella to be given the Maid, or the lady receiving the second highest number of votes, can be seen in the display window of P. A. Kolstad & Bro. These prizes are both beautiful and expensive, and well worth working for. One cent will secure you one vote for any candidate, while a dollar gets one hundred votes.

Small envelopes have been placed at the ballot boxes, and all that is necessary for you to do is to fill out the envelope with name of candidate and number of votes, place your coin in the envelope, seal, and drop in ballot box. Very easy proposition.

The first count will be made tonight, and the result announced Tuesday afternoon in the local papers. Each candidate has the right to be represented when the count is made, which will be under the direction of the arrangement committee of the Labor Day celebration. The count is to be made each night at 8 o'clock, Sunday excepted, in the Board of Trade rooms.

NOTIFICATION OF KERN

Of His Nomination For Vice President on the Democratic Ticket Will Take Place Tuesday.

Special to the Herald.

John W. Kern of his nomination for vice president of the United States on the democratic ticket began to arrive in the city today. With the exception of a few finishing touches everything is in readiness for tomorrow's exercises. Indianapolis, in holiday dress for the occasion, is preparing to entertain a large number of visitors.

The program provides that all the ceremonies of notification shall take place at the state fair grounds in the daytime, and that there will be no downtown demonstration and no street parade. Nevertheless, it is expected that the attendance of numerous democratic clubs, enthused by the presence in the city of William J. Bryan and a host of prominent party leaders, will result in an impromptu demonstration of some sort tomorrow night. It is hoped that some of the visiting orators may be induced to deliver public speeches.

The notification exercises at the state fair ground will take place in the coliseum, which is one of the largest and finest amphitheatres in the country. Arrangements are being made to accommodate a crowd of fifteen thousand people in the huge structure. A speaker's stand has been erected at one end of the building. The stand has been made large enough to afford seating accommodations for the members of the notification committee, the members of the national committee who will be in attendance and a number of specially invited guests.

The notification speech and the address of acceptance by Mr. Kern will be brief in order to give ample time for the delivery of the speech by Mr. Bryan on the subject of trusts, which, of course, will be the chief feature of the program. Mr. Bryan is expected to reach the city early tomorrow morning from Chicago, accompanied by National Chairman Mack. Both of the distinguished leaders will be guests of Mr. and Mrs. Kern while in the city.

THE MASTER KEY THAT UNLOCKS

The door that leads to success is business education. Success is achieved by the one who sees clearly the goal of his object and goes straight to it. Young man, there is only one straight road to success, and that road is ability. Ability has never yet lacked opportunity, neither has it remained undiscovered. A great many business men are anxious to secure the services of a good book-keeper, stenographer or a general office assistant. To meet the business man's requirements, the applicant

must be thorough and practical. To this end and aim we put forward our best efforts and because of our good teaching and superior methods we give our students a better training in three or four months than they can get at other schools in five and six months. Bear in mind, it is only a few steps from Hill's Business College to a good paying position. Everything is high grade and right up to date.

by short-handling and is the country. It is easy to learn and write and is practical. Big summer reduction. Our \$100 combined scholarships are now \$60; \$75 scholarships are now \$50; \$50 scholarships are down

to \$25, \$35 and \$40; telegraphy, \$25; mail course in shorthand \$20, or \$5 for five lessons. Address R. H. Hill, Waco, Texas, or Memphis, Tenn.

Made Good Impression.

Rev. Oehler of Taylor occupied the pulpit at the First Presbyterian church yesterday, and preached two good sermons to large and appreciative audiences. He is a thoughtful and interesting way. The people here will be glad to hear him again.
